Welcome to the 2010-2011 School Year at Sequoyah Elementary!

The Sequoyah Elementary Foundation (SEF) was established in 2006 as a 501(c)3 Organization with a mission to financially support educational initiatives that will assist the school in areas of academic achievement and excellence. As of the end of the 2009-2010 school year, the Foundation had raised approximately \$500,000 during its 5 years of existence that it has committed to this mission.

Over the years these funds have been donated by school families, friends, local businesses, and many others who have a passion not only for excellence in education, but also for our community. With the combined efforts of a solid teaching staff, active PTA, and School Foundation, Sequoyah Elementary ranks number one in Knox County in academic achievement. Sequoyah also ranks in the top 5 in academic achievement in the State of Tennessee.

SEF has one main event each year that historically helps to raise over 60% of its annual funding. I invite you to take a look at the "Events" page on this website and put February 11, 2011 on your calendar so you can take part in this important and fun time. The SEF Board is composed of a teacher, a PTA executive, the school principal, and parents across all grade levels. If you have any questions or comments throughout the year please feel free to contact anyone on the Board from the "Contact us" page.

Many thanks and have a great year!

On behalf of the Board,
Michael Ayres
SEF Board President
